- Students should complete all general education requirements before entering the Undergraduate collaborative (K-6)(K-12) program. Students with more than 9 [nine] hours of unfulfilled general education course requirements may not enter the program. Students with nine or fewer hours are encouraged to enroll in the courses during the summer session between the junior and senior year.
- Teacher Education Program applications must be submitted during the junior – Fall I semester in SPE 304 – Instructional Strategies in Special Education.
- Junior Fall I: If HD 101, BEP 305, and/or BEF 362 were completed during the Freshman or Sophomore year the advisor will approve schedule amendments.
- *No professional studies courses may be transferred in to the College of Education, University of Alabama.
- Please refer to the State approved Program of Study and the Office of Student Services and Certification for further details regarding required testing.
- Make sure your schedule is open 8-3 M-F for practicum/internship hours.
