INSTRUCTIONS

The deadline for submitting your application for Spring 2022 internship is **Monday, October 4th**.

1. Complete all items on page 1 and page 2 of the internship application.
2. Please print neatly.
3. You must use your Crimson email address.
4. You must provide your correct and complete area of certification. For example: “Educator” and “Special Ed” will not be accepted.

When your application is complete, you must do the following:

1. Print and save your application as a PDF document.
2. The **name** of the PDF should be as follows: **[your last name], [your first name] Spring 2022 Internship Application**
3. Email the pdf as an attachment to educlinicaloffice@ua.edu.
4. DO NOT USE Google Drive, Drop Box, or attach your application as a “picture” in the body of the email.

The biographical data form will be discussed during the application meeting. The biographical data form is required for an internship placement and is due November 1st. Please note that your internship application is not considered complete until your biographical data form is submitted to educlinicaloffice@ua.edu.

Thank you for following these instructions.

The Office of Clinical Experiences
