I attended the **OIP Orientation** provided by the College of Education and the Department of Curriculum and Instruction at the University of Alabama (UA). I have downloaded the **OIP Student Guide** provided on the OIP Website at <https://education.ua.edu/outreach/centers/oip/>.

I understand that my initial and continued enrollment for course work in the Elementary Education or Secondary Education Master's program is contingent on my compliance with the information in the **OIP Orientation Packet** and the **OIP Student Guide**. I understand that failure to comply with the procedures in documents could affect my continued enrollment in the OIP program.
