Watermark Student Learning & Licensure (SLL)

Instructions for Classroom Teachers

The website for SLL is www.vialivetext.com.

The username is the classroom teacher's school email address.

If you are using SLL for the first time:

The password is preset to Rolltide#18

Once you log in you will be prompted to agree to terms and conditions.

You will then be directed to change your password.

Once your password had been changed, you will be directed to the "In Progress" page to review the assessments needed and the time log.

If you have forgotten your password:

Go to www.vialivetext.com

The username will be your school email address.

Click the "Forgot Password" option.

Follow the instructions you receive in the email from SLL - support@watermarkinsights.com

The classroom teacher is responsible for completing any assigned evaluations in SLL and for reviewing and verifying the time log. If there are issues or concerns regarding the accuracy of the time log, the classroom teacher should first work with the assigned UA student and then communicate with the assigned UA supervisor or course instructor if a UA supervisor is not assigned. The UA supervisor or course instructor will notify the Office of Clinical Experiences if necessary.
